Roadmap: “Pie NFT Project” – A Pieverse Expansion Plan

We are here!!!

Phase 1: Artwork & Concept Development

Goal: Finalize character design styles and Define traits and rarity tiers

- ✅ Create mood boards and sample characters.
- 🎨 Decide on metadata structure (e.g., JSON format for traits).
- 📢 Develop lore or backstory for Pie and the Pieverse

Phase 2: Foundation & Community Building

Goal: Establish brand identity and engage early adopters.

- ✅ Launch 10K pie character NFTs.
- 🎨 Host community art contests (e.g., “Design Your Pie”).
- 📢 Twitter/X Spaces, Discord AMAs, and meme campaigns.
- 🎁 Airdrops or whitelist spots for early supporters.

Phase 3: Merch & Brand Expansion

Goal: Turn characters into lifestyle products.

- 🛍️ Launch merch store (T-shirts, plushies, mugs).
- 🎨 Feature rare pies in exclusive merch drops.
- 🧁 Collaborate with dessert brands or bakeries for real-world tie-ins.
- 🧸 Develop plushie prototypes.

Phase 4: Web3 Utility & Gamification

Goal: Add utility and deepen engagement.

- 🥧 “Pie” staking or rewards system.
- 🎮 Mini-games (e.g., Pie Toss, Pie Factory Tycoon).
- 🧩 Trait-based quests or challenges.
- 🔒 Token-gated merch store for holders.

Phase 5: IRL & Licensing

Goal: Expand beyond Web3.

- 📦 Retail partnerships for physical products.
- 🎉 Host IRL events or pop-ups (Pie Day celebration).
- 📺 Explore animation shorts or comic series.
- 🤝 License pie characters for other brands or creators.

Phase 6: Ecosystem Growth

Goal: Sustain long-term value.

- 🥚 Launch “Lil Pie” – a companion collection.
- 🧠 Educational content (e.g., baking, Web3 basics).
- 🌐 DAO or community council for roadmap decisions.
- 🔄 Burn-to-evolve mechanics or fusion pies.
